THAILAND
THE MEDIA MINISTRY

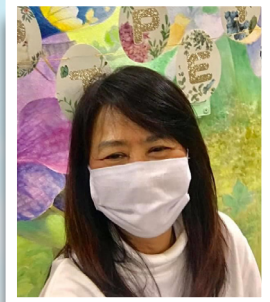

ANNUAL REPORT 2020

Rejoice in the Lord!

The year 2020 was a challenging year for us around the world due to the spread of the virus Corona or the COVID-19. Many people have been struggling and suffering in life, in whatever realm--physical, emotional or spiritual. They are unhappy, living in fear, hopeless and without joyful hearts.

In the Bible in the book of Romans chapter 5 verse 3, it states—*“we rejoice in our sufferings, knowing that suffering produces endurance.”* The question arises, “How can we be rejoicing in suffering?” It seems that, “This is impossible!” But all things are possible with God. *“Trust in the LORD with all your heart; do not depend on your own understanding”* (Proverbs 3:5). We trust Him to teach us and help us grow through whatever situation we may be facing.

A time of suffering is not fun to go through. But I believe we truly can rejoice if we keep focus on the right ways. Please remember that it is only “A Time or A Season”, there is a time for everything on this earth. Surely, we will not be suffering forever. It will pass or be over eventually. *“Rejoice in suffering”* is not easy to do, but we can do it if we believe that “All things are possible with God”. Let the benefits of its practices and outcomes happen to you and to others. Above all--give glory to our beloved God.

Voice of Peace as a media ministry, apart from the times of prayer, also daily shares effectively the words of God. We do this in order to encourage and comfort people against fear through this time of crisis via our website and social media. There is a real need of Voice of Peace to send or forward the *“Voice of (Living) Hope”* to the Thai society at large. The messages of living hope (God’s messages) will turn their lives from fear and hopelessness to fearlessness and hopefulness. Therefore, they will live peacefully. The basic approach is inspired by one of the most famous passages in scripture--Psalms 91:9-11, “If you say,” The Lord is my refuge, and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent. For he will command his angels concerning you to guard you in all your ways.” We cannot escape disappointment, sadness and weeping. But, with GOD’s comfort and guidance, these feelings can be endured with REJOICING! Rejoice in the Lord!

Finally, we thank you for your contributions and prayers. More information about VOP is available on our website at www.voiceofpeace.org. For the latest news, please be invited to “LIKE” our Facebook page at www.facebook.com/voiceofpeace2011. May the peace of Christ reign in your hearts.

Blessings,
Dr. Jariya Sornmayura
Director, Voice of Peace

Radio Program

VOP continues producing five radio programs for broadcasting daily. Each program broadcasts once a week. Therefore, the producers of each program have to provide 4 -5 scripts/parts monthly. Here are the radio programs: “Count the Blessings,” “Voice of Wisdom,” “Sharing Love,” “Health-Arokaya,” and “Sparkle your Thought.”

Apart from the above listed programs, there are several other radio programs for broadcasting such as “In Touch,” “Leading the Way,” “Fill the heart with Love,” “With Love,” “Bible on Air,” “Northern Program for Life,” “World of Children,” and “Aids-Health Program.”

VOP Local Radio Station (www.peaceradio.org)

VOP Director, Dr. Jariya Sornmayura, and her team have brought about more co-operation within the community. In an effort to satisfy more directly listeners' interests, a professional DJ from Bangkok was hired on as a part-time worker, as well as other VOP staff. One of the radio programs “Sharing Love” has to make contents for the handicapped listeners. This is a requirement of the NBTC (The Office of National Broadcasting and Telecommunications Commission).

Pics from left to right: Dr. Jariya-- Director of VOP station in Chiang Mai, Mr. Rachen--DJ Nhoi from Bangkok, Mr. Niran--(DJ M.) and Mr. Pawitchaya--(DJ Kae).

VOP also provides good radio programs where listeners can obtain very useful information as well as enjoy good music. This takes place every Monday to Friday from 8.00am.-11.00pm. Our local radio station is FM 99.75 Mhz, Chiang Mai or www.peaceradio.org

A Blessed Life “Count the Blessings”

Voice of Peace has been producing radio programs and video clips of Christian's life testimonies. The project is a multi-media approach, using a combination of radio, TV-Video, social media, printed material, and CD/DVD, to present “Life Testimony” to believers and non-believers. This year we focus much on radio program, video clips, and encouraging message/contents which were posted on VOP Facebook and other social media. Most of the Christian leaders and

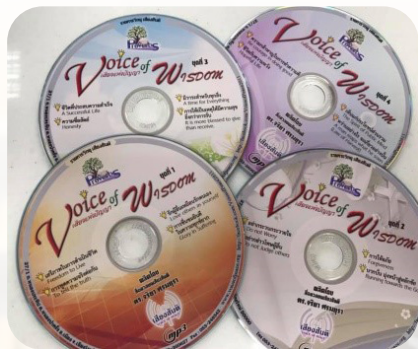

successful Christians will be selected from the ones who converted from Buddhists to Christians.

As we have evaluated from the responses of listeners, audiences and readers, we have seen it has been a very fruitful project. Through the project of multi-media we have seen the lives of Thai believers and non-believers experience change. More nominal believers have become the true sons of God because of listening to the testimonies. They realize that they too are a part of God's story. They have grown into a deep walk with Christ spiritually and morally. They see their lives changed from a heart of hopelessness to a heart of hopefulness. An attitudinal change has taken place from “counting the problems” to “counting the blessings.” They see the Kingdom of God expanding and growing fruitfully in Thailand.

Life is from Sufferings to Blessings “Voice of Wisdom”

The “Voice of Wisdom” radio program has been broadcasting covering more than 50 provinces of Thailand. The responses from listeners are very positive. Many people wrote letters and sent messages to us that their lives have been changed by the teachings and suggestions of how to live life ethically. And the non-believers say that they want to know God more. So, they enroll in the Bible Correspondence course with VOP. The program has been produced since 2014, and will continue production.

The programs of “Count the Blessings and Voice of Wisdom” can be followed at www.voiceofpeace.org, www.facebook.com/voiceofpeace2011, Youtube: VoiceOfPeace TV-TH, Line official: @voiceofpeace or listen on line at VOP radio station FM 99.75 MHz and more 150 radio stations in Thailand. Anyone can request the programs in format of CD or DVD.

Communicating Gospel and Sending love to audiences through VOP social media

In the year 2020, even though we have faced the spreading of COVID-19 from time to time, the VOP team has been very active in communicating God's words. Plus sending love to believers and non-believers through social media such as FB, LINE and YouTube. Anyone can follow VOP ministry including radio ministry and study on line at

Dear Dr. Jariya, I have followed your radio program properly. It is a very good program with good content. It is very useful. My life has been changed when I believe in God's miracle through prayers and reading Bible. I was born in Buddhist family and I am the only one to receive Christ. Before I was drinking and smoking a lot but now, I am not. I pray for my sin daily and also pray for VOP team. Thanks for providing the good radio program for me and people. Thanks again.

Dear Dr. Jariya, VOP director, I am new in the Christian group in prison. By God's grace, there was someone from the Church came to visit us and take care of us properly. ○ Mr. Satawat from Roi Et Prison

Before receiving Christ, I was hot-tempered and did not listen to anyone. When I listened to the belief of Jesus, I feel nothing. But I listened to it quite often, I have a question. What is it? I experienced good things and brought someone to believe Christ also.

○ Mr. Anusorn from Nakorn Rachasima Prison

Joy to the Prisoners Christmas in Prisons

Voice of Peace's prison ministry has been progressing on from time to time. This ministry is greatly blessed with the commitment of the Voice of Peace team and a former prisoner, "Mr. Somwang Kongkaew." He made a decision to serve God wholeheartedly by listening to Voice of Peace radio program since 2000. He has been a project leader of VOP prison ministry which is now focusing on Udon Thani Central Prison and Nhong Kai Prison. Both of the prisons are very fruitful with Somwang's leader. He continues to teach the Word of God to prisoners, which in turn, produces many prisoners studying Bible Correspondence with Voice of Peace.

On November 29-December 1, 2020, VOP Director, Dr. Jariya Sornmayura, along with staff took a trip to celebrate Christmas with prisoners both in Udon Thani and Nhongkai prisons. It was a very blessed time with 150 prisoners (each prison). We would like to give thanks to the prison commanders and all staff of the prisons for the warm welcome, and kind support. The events were meaningful with joyful hearts.

Special thanks goes to Rev. Peter Goetz and the Thai committees of the Danish Covenant Church (DCC), Denmark for the burden of raising the necessary funds to construct a multi-purpose building for female prisoners at Nong Khai Prison.
